

# ProShake<sup>PLUS</sup>

The Professional's Choice In Shake Replacement

## LIGHTWEIGHT CLAY ROOFING TILE

AFTER  
*Madera Shake*

### ABOVE ALL... IT'S REAL CLAY TILE!

Made of nature's own earth and crafted by a special manufacturing process, ProShake Plus<sup>®</sup> offers the only authentic clay lightweight shake tile weighing less than 6 lbs per sf available on the market today.

The result is a beautiful, yet durable, lightweight roof tile that provides a lasting shield against nature's harsh effects of sun, wind and rain.
